

## **Policy of the RESNET Quality Assurance and Ethics Committee on the Certification of Quality Assurance Designees**

Adopted by RESNET Quality Assurance and Ethics Committee – September 13, 2007

### **I. Quality Assurance Designee Disciplinary Procedures**

That the discipline procedures for rating providers (probation, suspension and revocation) and the appeals process specified in Section 109 of the RESNET Mortgage Industry National Home Energy Rating Standards be applied to quality assurance designees

### **II. Requirement of Signed Agreements Between Rating Providers and Their Quality Assurance Designee**

That accredited rater providers and their quality assurance designees have formal signed agreements that at a minimum will include:

1. That the quality assurance designee shall remain in good standing with RESNET.
2. That the quality assurance designee shall formally agree to comply with all of the quality assurance oversight activities defined in the RESNET Standards.

This signed agreement shall be required as part of the accreditation application and renewal process in 2008.
