RESNET Fee Payment Policy for Providers

Updated April 2017

Accreditation Renewal:

RESNET standards require accredited Providers to submit a renewal application and pay their respective renewal fee by the end of each calendar year.

Accreditation renewal notices will be sent to providers through email at the beginning of September of each year, which allows sufficient time to comply with RESNET standards for accreditation renewal. It is the responsibility of Providers to verify that RESNET has the current email and mailing address prior to August 30th each year.

Notice for renewal of accreditation is sent out on September 1.

All Provider accreditation renewal applications and accreditation fees are due by October 31st each year for all Providers who plan to continue with their accreditation for the following year.

	Due: October 31	November 1	December 1	January 1
Accreditation Renewal	Renewal application and fees	\$500.00 Late Fee	\$750.00 Late fee	Officially Non-Renewed Removed from Website and Registry

Setting the Standards for Home Energy Efficiency

Rating Provider Quality Assurance Quarterly Fees:

Beginning in 2017, Rating Providers will be charged \$7.50 per rating registered in the RESNET National Registry. Rating Providers will be emailed invoices quarterly based on the number ratings registered into the RESNET National Registry during the previous quarter.

A late fee of \$100.00 will be assessed on those not received by due date.

Quarterly Surcharges	Q1	Q2	Q3	Q4
Invoices sent	April 7	July 7	October 7	January 7
Due Date	May 15	August 15	November 15	February 15

General Information:

Past due invoices can place any or all providerships in jeopardy of being non-renewed or other disciplinary actions up to and including revocation.

In all cases, all levels of status can be appealed by the Provider following the provisions of section 912 of the RESNET standards.
