Candidate Questions	
1. Please describe in light of the responsibilities of the RESNET Board why you are the right person to be a member of the RESNET Board of Directors	
I am the staff person at LBA with primary responsibility for the association's involvement in energy efficiency initiatives. As such, I am familiar with the challenges and opportunities production homebuilders face in making new homes more energy efficient.	
2. Why is this the right time for you to serve on the RESNET Board?	
We have discussed internally with both the LBA leadership and our energy working group the importance of RESNET relative to our energy related initiatives and concluded that being directly involved in the leadership is a priority and have made arrangements to accommodate time requirements.	
3. Please explain your knowledge and/or experience in terms of each of the primary responsibilities of the RESNET Board	
I have over 25 years of experience working in the non-profit space so I am familiar with the challenges facing volunteer led organizations. I have similar amount of experience in the public-policy space.	
4. Describe your experience in either leadership and/or serving on the board of a non-profit organization.	
In my previous work for the NAHB, and my current work at LBA, I have had extensive interaction with the volunteer leadership at both the board and committee level. I have also served on the board of my university alumni association.	
5. What would you contribute to the RESNET Board?	
Experience working in a volunteer led organization.	
Familiarity with the issues facing production homebuilders relative to energy efficiency initiatives.	
Experience in understanding the various public policy issues & challenges related to energy efficiency.
