Candidate Questions

1. Please describe in light of the responsibilities of the RESNET Board why you are the right person to be a member of the RESNET Board of Directors

I can bring the Builder perspective to the Board. As builders, we have to always weigh the benefits and costs of energy efficiency to our customers as well as our sales force. As a Board member I can help other Builders understand how all of this fits...

2. Why is this the right time for you to serve on the RESNET Board?

I have served 2 terms on the Board and really understand the position and how the Board works. This is helpful in understanding what some of the future needs are and how to best achieve those needs and goals

3. Please explain your knowledge and/or experience in terms of each of the primary responsibilities of the RESNET Board

I am the current Treasurer and I take the Fiduciary responsibilities as a member of this Board very serious. I work in conjunction with the Board to provide the necessary tools and services to our members and plan for the future needs of this organization.

4. Describe your experience in either leadership and/or serving on the board of a non-profit organization.

I have served in the past as a Board member and past President of the Southern Utah Home Builders. I have also served on the Utah State Home Builders Board. I was the State President in 2015 and I currently serve as the Utah Board member to the National Home Builders Association. I currently serve as Developer Board member to the SunRiver community HOA.

5. What would you contribute to the RESNET Board?

I contribute over 30 years of home building experience in various municipalities. Working directly with Building Departments on Code Issues, Safety Issues and Energy Standards. I also will contribute the time necessary to perform the duties of the Board position.
