

## **ENERGY AUDITOR – ERIE, PA**

National Fuel Gas Distribution Corporation, the Utility segment of National Fuel Gas Company is currently seeking an **Energy Auditor** for an outstanding career opportunity in Erie, PA. As a member of the National Fuel team, you will enjoy an exciting and challenging work environment where top performance is recognized and rewarded.

The successful candidate will be responsible for the following functions:

- Conduct onsite energy audits and pre-screen/post-screen weatherization inspections
- Investigate bill and Public Utility Commission (PUC) complaints
- Review weatherization measures and related costs
- Calculate security deposits and determine revenue classes

This position requires a minimum of an Associate's degree. A Bachelor's degree with a concentration in Engineering Technology, Business or an Energy-related field is preferred. The successful candidate must be BPI and RESNET certified with knowledge in HVAC, residential construction, energy conservation, air infiltration reduction and gas regulation codes. The successful candidate must possess excellent customer service, problem solving, and organizational skills. Proficiency in Microsoft Office is necessary to succeed in this position. Routine travel within northwestern Pennsylvania and western New York is required.

National Fuel offers a competitive salary and a comprehensive benefits package. Any candidate offered a position with National Fuel will be required to successfully complete a pre-employment drug test. For confidential consideration, please submit your resume, cover letter and academic transcripts by February 24, 2015 to:
