

**Results of the Electronic Vote of the RESNET Board of Directors on the  
Proposed 2005 Amendments to the National Home Energy Rating  
Standards**

The RESNET Standards Revision Committee voted to approve the proposed 2005 Amendments to the RESNET national home energy rating standard. The revisions committee is composed of three representatives of state energy offices and three representatives of the rating industry. The standards went through a public review and comment process prior to the revision committee's action.
