

## Lockton Affinity's RESNET® Insurance Program

With products to cover your professional reputation, property, financial security and more, Lockton Affinity's RESNET® Insurance Program has everything you need to protect your business.

### KEY COVERAGE

General Liability with Professional Liability Insurance is a critical piece of protection for your business. This policy protects against:

- Claims of an injury or damage at a work site or client location.
- Claims against your expertise or quality of work.

### KEY BENEFITS

Since 1987, we have had one primary focus—our clients. We have built our reputation on supporting individuals and business owners like you by providing the right insurance and a level of service unparalleled in the industry. By using our leverage as a global broker, we can offer comprehensive coverage at the most competitive price. When you partner with Lockton Affinity, you will receive more than insurance:

#### Proven experience

We're well-educated on the needs of RESNET® members. In fact, we have offered insurance solutions to RESNET® Home Energy Raters for more than 12 years.

#### Efficient interactions

Apply for coverage with a quick, downloadable application. In the event of an incident, we work to settle claims fast, so you can get back to business.

#### Dedicated service

We have an exclusive customer service team to support you whether you have a simple question or need a full policy review.
