**1. Please describe in light of the responsibilities of the RESNET Board why you are the right person to be a member of the RESNET Board of Directors**

It's important to have representation from the Northeastern US given its significance and importance for RESNET and Ratings. Having been in the building science and rating industry for 20+ years I have a well-rounded understanding of the industry. As current Vice President for Programs at PSD, including NH Code Programs, QA provider for 100 + Raters in the Northeast, former President of the NEHERS Alliance, and Implementer of utility programs that support HERS Ratings from Pennsylvania to Washington State, I receive feedback from hundreds of Raters and am dedicated to supporting our growth, accuracy, consistency, and people going forward.

**2. Why is this the right time for you to serve on the RESNET Board?**

Given the incredible funding and attention on our industry right now, it's more important than ever that we keep an understanding of our history and lessons learned from the past to support scalability and growth. We need to engage our membership and ensure that the policies and decisions we make as a board support the businesses of Raters and Builders.

**3. Please explain your knowledge and/or experience in terms of each of the primary responsibilities of the RESNET Board**

HERS Rater for over 16 years, a RESNET Quality Assurance Designee, RESNET QA Provider, RESNET Rater Trainer, and Sampling Provider Provider overseeing Rater work in Single family, Multifamily, code (MA Stretch), ENERGY STAR, Passive House, Zero Energy Ready Homes, and participation in various state programs

Serve as Vice-Chair of RESNET SDC 900

Chair of RESNET Sampling sub-committee

Implementer of New Homes utility programs with design integrated around the HERS Rating

20+ years in the industry
