

The RESNET Board Executive Committee has voted to create a **RESNET Emerging Leadership Council**. The purpose of the council is to:

- ✓ Advise RESNET on how to effectively recruit, mentor and motivate the organization's emerging leadership.
- ✓ Function as a forum for emerging RESNET leaders to discuss how RESNET can make them feel welcome and help shape RESNET's efforts.
- ✓ Develop a set of recommendations on how to effectively nurture the next generation of RESNET.

### RESPONSIBILITY OF THE COUNCIL

Introducing and promoting innovation.

Providing input on specific matters of marketing, engaging the next generation within and outside of the industry, and development of generationally-appropriate messaging.

Promoting technological-literacy to keep RESNET relevant in a fast-evolving and increasingly technological world.

Advising how to broaden consumer appeal towards RESNET and HERS ratings.

### FEATURES OF THE RESNET EMERGING LEADERSHIP COUNCIL

The council will be open to any RESNET member interested in contributing, with a focus on the new generation of leadership.

The council will have an ex officio representative on the board.

RESNET Standard Development Committees participation through designated correspondence members.

Hosting a RESNET Emerging Leadership Council function at the annual RESNET Building Performance Conference.

Hosting social media outlets for networking and relevant exchange of ideas among the council members.

Conduct a survey of priorities for council members once membership is established.

Develop mobile-friendly website content for ease of access to RESNET's online domain.

### LIMITATIONS OF RESNET EMERGING LEADERSHIP COUNCIL

✓ Membership does not imply RESNET endorsement of any member company's products or services.

✓ RESNET Emerging Leadership Council members have no authority in respect to the operations, policy or budget of RESNET.

✓ The RESNET Emerging Leadership Council shall have no standards development authority.

There will be a special session on the RESNET Emerging Leadership Council at the 2017 RESNET Board Performance Conference.
