

Setting the Standards for
Home Energy Efficiency

Interim Standard Revision #2017-06

Title: Confirmed Threshold Rating Definition
Date Approved: June 28, 2017
Date Effective: June 28, 2017
Standard Committee: Standard Development Committee 900 Quality Assurance

Justification:

The RESNET Board of Directors created a new rating, the Confirmed Threshold Rating, that needs to be defined within the MINHERS for the RESNET HERS.

MINHERS-2013 Addendum 28i-2017, Confirmed Threshold Ratings:

Appendix B

GLOSSARY OF TERMS

*Confirmed Threshold Ratings: A type of confirmed ratings for homes where the HERS Index is calculated using *Threshold Specifications* with field inspections and testing accomplished on every home.*
