Matt Gingrich Energy Diagnostics, Inc. mattg@energydiagnostics.net 219.464.4457

1. Please describe in light of the responsibilities of the RESNET Board why you are the right person to be a member of the RESNET Board of Directors I have been an active Board Member for two terms and would like to continue to serve as a Rater Representative to the RESNET Board of Directors. I would continue to be an active participant in RESNET Board activities.

2. Why is this the right time for you to serve on the RESNET Board? Energy Diagnostics is an established HERS Rating company, with an exceptional staff. Having such an amazing group of employees allows me to have additional time to work on RESNET issues and stay up to date on Board activities. My "boots on the ground" experience in the industry along with my experience as an executive at Energy Diagnostics, will provide needed insight at this crucial time for RESNET.

3. Please explain your knowledge and/or experience in terms of each of the primary responsibilities of the RESNET Board Being a certified HERS Rater and a Provider, I have the knowledge and insight to be an active participant in the strategic vision of the organization. I have a deep understanding of the fiduciary responsibilities of the Board. Having served two terms on the Board, I am well aware of the bylaws and 501c3 requirements.

4. Describe your experience in either leadership and/or serving on the board of a non-profit organization. I am a member of the Leadership Team at Energy Diagnostics, an ELC Member and former chair, current chair of the RESNET Board, and also serve on a local nonprofit board in my community.

5. What would you contribute to the RESNET Board? I have dedicated the last 15 years to improving the energy performance of homes and energy ratings. This experience plus my dedication will serve RESNET in positioning itself for new opportunities. RESNET is critical to the future of the rating industry. My dedication will be invaluable to the RESNET organization.
