

# Status Summary of ANSI and RESNET MINHERS Standard Amendments Updated 11/13/19

This summary document lists the status of various RESNET Standards and Amendments. Blue headers are standards developed by RESNET and others, like ACCA, ICC, or ANSI. Green headers are amendments to RESNET MINHERS. If it has been approved, there will be a Publication date and voluntary and compliance dates listed. A standards acronym guide is at the bottom of the document.

| RESNET ANSI STANDARDS  |                           |                                  |                       |  |                          |
|--|---------------------------|----------------------------------|-----------------------|--|--------------------------|
| STATUS AND TRANSITION OF ANSI AMENDMENTS   |                           |                                  |                       |  |                          |
| BSR/RESNET/ICC 301-2019 Addendum B, Clarifications, HVAC Systems Installation Grading and Dehumidification |                           |                                  |                       |  |                          |
