Std 301-2014 adopted by MINHERS Addendum 7	March 4, 2014			

- 1) The HERS adopts RESNET/ANSI Standards 301, 310 and 380 and their addenda by reference in the HERS Chapter 3. New editions of the Standards and currently their addenda are adopted by HERS addenda. Previously, addenda to Standards 301 and 380 were adopted automatically for the HERS upon their ANSI approval.
- 2) The 2019 editions of Standards ANSI/RESNET/ICC 301 and ANSI/RESNET/ICC 380 were adopted by HERS Addendum 42 with defined Voluntary Compliance Dates and Mandatory Compliance Dates. However, implementation was delayed while waiting for software to be updated.
- 3) The 2014 edition of Standard ANSI/RESNET/ICC 301 was adopted by HERS Addendum 7 but its implementation was delayed while waiting for software to be updated.
