Thank you for attending the 2014 RESNET Building Performance Conference!

**Save the date for the 2015 Conference in sunny San Diego, CA!
February 16-18, 2015**

Professional Development

Raters can verify their attendance at the RESNET Conference via the conference website. A complete list of attendees will be posted after the conclusion of the 2014 Conference. RESNET will not keep documentation of rater attendance at conference sessions. Attendance of the conference from February 24 - 26, including all breakout sessions and the general session, will result in 18 total credit hours. Pre-conference sessions also provide professional development credit hours, but courses vary in length/credit. Professional Development credits are a one hour to one credit ratio.

Special Thank You to the 2014 RESNET Conference Sponsors!
