DRAFT PDS-01

Final Standard Amendment

Title: MINHERS Chapter 2-2013, Addendum 31f, Rescind Simulation Practical Test Requirement for Certified Raters

Date Approved: 
Date Effective: 
Standards Committee: Standard Development Committee 200 (SDC 200), Training, Education and Certification

Justification:

The RESNET Board of Directors Executive Committee unanimously voted to remove the online practical simulation testing requirement for existing certified RESNET HERS Raters.

The new directive states:

“…beginning today, existing certified HERS Raters (those certified prior to July 1, 2016) are no longer required to pass the Practical Simulation Test. HERS Raters who have already passed the Practical Simulation Test will be credited 18 hours of professional development credits which is required every three years for recertification.”

Because this policy is in conflict with the existing language of the standard, an interim amendment is needed that removes the requirement of the Practical Simulation Test for existing HERS Raters.
